Guest Access Policy

UFC GUEST

Anyone may visit UFC as a guest, and pay a \$10 per day guest fee. At this time, you will be given a receipt, with your name on it, for your \$10 guest fee.

If an individual joins UFC, within 12 months of visiting UFC as a guest, and can present the receipt(s) for previously purchased guest passes, UFC will deduct the amount paid in guest fees from the individuals sign up fee (up to the amount normally due in sign up fees). The credit can never exceed the amount of the sign-up fee. Also, receipts are non-transferable. A receipt can only be applied to the sign-up fee of the individual whose name is listed on the receipt.

Example:

Currently, the individual sign-up fee is \$50. An individual can visit UFC, as many times as desired, however, the individual will only be able to use 5 guest receipts as credit toward the sign up fee.

Currently, an additional family member sign-up fee is \$20. Again, the individual can come as many times as desired, and pay the \$10 guest fee. However, the additional family member will only be able to use 2 guest receipts as credit toward the sign up fee.

UFC VIP GUEST

One complimentary visit to UFC may be given to UAH Alumni, UFC Members' family/friends, and UFC Employees' family/friends. A UFC Manager must be contacted, by someone within the previously named groups, to request the VIP Guest Complimentary Visit, 24 hours prior to the time in which the visit is needed. The UFC Front Desk staff does not have the authority to issue a complimentary visit without the 24 hour prior approval.
